

South King County Chapter of the Puget Sound Anglers Presents: *Bruce Warren—Springer Fishing*

Bruce Warren has over 40 years experience on NW Rivers! His specialty is the Cowlitz rather it be for Steelhead or Salmon. Springer's are his favorite and he's going to share with us how to approach what promises to be a fantastic Springer year. He'll share with us both tactics from a boat or from the bank.

Bruce is also well known for his egg cures and chances are he'll share some of those secrets with us as well.

Bruce is an experienced speaker as a regular part of both Salmon and Steelhead University along with Steelhead Palooza.

Win a FREE Trip for 2 with Bruce!
